WHOLESOME GAMES

✨ WHOLESOME SNACK WRAPS ITS 2025 SHOWCASE WITH BIG SURPRISES AND WORLD PREMIERES ✨

Watch the showcase on YouTube!

Check out over 20 announcements from the show!

First things first: **THANK YOU!** We appreciate you for supporting all of the teams featured today as well as Wholesome Games -- whether you just finished watching the show live or if you're planning on tuning in later. 💕 It means the world to us, and we hope you had a great time watching (and wishlisting)!

To try and help making things easier for you, we've summarized our announcements and news from the show! We've also got assets for the showcase along with each individual game **HERE** in our press kit. It's a hefty message, but hopefully proves helpful as you organize your thoughts and any coverage around the event.

Please do keep in touch: I'm happy to answer any last questions you may have about Wholesome Snack, and we hope you have a wonderful holiday season and rest of the year!

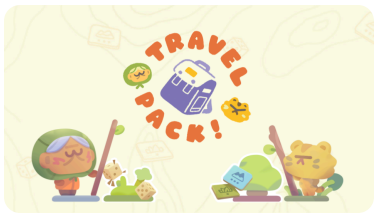
Thanks so much,

💌 Jenny, Matthew, James, Victoria

One game shadowdropped during the broadcast:

- ***Bits & Bops* - Developed by Tempo Lab Games**
  - *Bits & Bops* is a collection of original rhythm minigames, filled with catchy music, snappy gameplay and gorgeous, hand-drawn animation.

Check out these brand-new Wholesome Snack world premieres:



- ***CatchMaker* - Developed by Grand Duck Games**
  - *CatchMaker* is a cozy, 3D bug-catching and matching adventure. Befriend a quirky batch of islanders and uncover your family's past to embrace your destiny. Explore a world abuzz with adorable little critters, guide the bugs through playful minigames and whimsical

hand-drawn dates to learn their unique preferences and match them up with their perfect other half.

- ***Find Your Words* - Developed by Capybara Games**
    - In partnership with Wholesome Snack, Capy Games proudly introduces *Find Your Words*, a short, cozy adventure game about the joy of forging new connections. Find your community at summer camp, one friendship at a time. Take a beat, enjoy a breath of fresh air - all while playing at the beach, strolling in the woods, and dancing with friends. *Find Your Words* was created by two Capy dads, celebrating their kids' journeys to find their voices.
- ***ReStory* - Developed by Mandragora, published by tinyBuild**
    - *ReStory* is a chill, story-driven shop management simulator from the creators of I Am Future, set in mid-2000s Tokyo. Run your own shop, restore nostalgic Y2K-era devices inspired by iconic game consoles (including officially licensed Atari systems), phones, cameras, and music players. Interact with customers and experience a branching storyline that depends on your choices.
    - Releasing in 2026.
- ***Thrifty Business* - Developed by Spellgarden Games**
    - Announcing *Thrifty Business*, where you'll set up and manage your very own 90's-inspired vintage thrift shop. Sort through boxes to find hidden treasures and arrange nostalgic displays (clothes, antiques, toys & more). Customize furniture, wallpaper and more to make your store as welcoming and cozy as possible and transform it into a hub for the local community as you befriend the regulars and help with their requests!
- ***Travel Pack!* - Developed by Blackstaff Games**
    - *Travel Pack* blends together storytelling and board game inspired gameplay. It comes from the idea that we like to add our own variations to the games we play together. *Travel Pack* is about meeting new people and finding out more about them based on the way they choose to play. You'll be on your first adventure through this miniature world of tiles and figurines, with light puzzles to overcome and characterful stories to enjoy.
- ***Verdant* - Developed by Tiny Roar, published by Megabit Publishing**
    - *Verdant* is a coming of age story set in a lush, post-apocalyptic 1980s Germany. As a young adventurer surviving in a new world, players will embark on a bittersweet journey of discovery, exploring a vibrant landscape full of mystery and piecing together the story of how the world changed and the role you will play in its future.

Enjoy these release date announcements for the following games:

- ***Cozy Caravan* - Developed by 5 Lives Studios**
  - *Cozy Caravan* is a single-player game where exploration, crafting and community come together in a wholesome, cozy world. From the comfort of your trusty hand-me-down caravan, you'll cook hearty meals, bake delicious desserts, and even sew stylish outfits. Travel from town to town sharing your goodies at weekend markets, all

while helping the local townsfolk prepare for the annual Whizz Bang Fair.
    - Releasing January 8, 2026.
- ***Fishbowl* - Developed by imissmyfriends.studio, published by Wholesome Games Presents and imissmyfriends.studio**
    - Made by a two-person team from India, published by Wholesome Games Presents and supported by PlayStation's India Hero Project. *Fishbowl* is a narrative game about dreams, grief, and hope. Rediscover your memories and find your way into the present in this intimate experience where slice-of-life meets surreal.
    - Releasing April 2026.
- ***Lost and Found Co.* - Developed by Bit Egg Inc., published by Bit Egg Inc. and Gamirror Games**
    - *Lost and Found Co.* is an award-winning hidden object adventure, which follows the story of Ducky, an intern at a magical startup that helps people find their lost things.
    - Releasing February 11, 2026.

Wholesome Snack debuted first looks at some upcoming titles:

- ***b-e-e-t-l-e: be right back!* - Developed by Paul and Viv**
    - *b-e-e-t-l-e: be right back!* is a "keyboardventure" game, where inventive typing mechanics and playful surprises bring the world to life. Players set out on a journey to find their beloved pet beetle, traversing through strange new lands and meeting friends far and wide.
- ***Coffee Talk Tokyo* - Developed by Chorus Worldwide Games and Toge Productions, published by Chorus Worldwide Games**
    - *Coffee Talk Tokyo* is the newest installment of the beloved coffee brewing and heart-to-heart talking simulator. It brings the warmth, heart, and delicious drinks from the previous games to an all-new café in Tokyo where humans and yokai alike share their stories.
- ***D-topia* - Developed by Marumittu Games, published by Annapurna Interactive**
    - Step into the world of *D-topia* in this gentle-paced puzzle adventure. In *D-topia*, life is curated by artificial intelligence to maximize happiness. As the newest Facilitator, it's up to you to solve puzzles to keep the *D-topia* residents happy and the facility running.
- ***Mandrake* - Developed by Failbetter Games**
    - *Mandrake* is a rural life sim with a complex, playfully responsive narrative and painterly art style. The *Mandrake* setting is inspired by British history and folklore. It's a world of old, wild powers, of

uncanny spirits; of deep histories, and deeper mysteries. (Though in a first for the studio, it doesn't contain cannibalism.)

- ***Wylde Society* - Developed by Studio Drydock**
    - An upcoming period drama sim game: *Wylde Society*! Take your first look inside Vivian's boarding house and put the finishing touches on the decor, admire an elegant ball, a tense afternoon tea and finish your evening off with a little witchcraft.

The following games received new platform announcements:

- ***Spirit Crossing* - Developed by Spry Fox**
    - *Spirit Crossing* is a cooperative life-sim all about making life-long friendships in a kind and whimsical community. The world is full of spirits, ancient ruins and storms, but by helping one another we can build ourselves a safe and welcoming home. Players will grow their village, explore a dynamic wilderness, go fishing, dance and play music.
    - Releasing on Steam in 2026.
- ***Wylde Flowers* - Developed by Studio Drydock**
    - Join Tara on a heartfelt journey to become a witch in *Wylde Flowers*. Farm by day, and cast spells by night as you craft your cottagecore life and bond with your coven.
    - Available now on PS5, Xbox Series X|S and Xbox on PC.

Additionally, the following games have public demos out now:

- ***Arcane Eats* - Developed by Wonderbelly Games, published by Skystone Games**
    - *Arcane Eats* is a roguelike deckbuilder about cooking food & delighting customers. Think like a master chef as you play tasty card combos and cook up enchanted meals to feed the hungry hordes. Each turn is a strategic puzzle to balance energy and ingredient cook times, while keeping cool in the face of your customers.
- ***Mirage: Miracle Quest* - Developed by Toe Bean Club**
    - Time has finally come to unleash your inner magical girl and embark on a unique RPG adventure set in a splendid hand-painted world, inspired by the vibrant cultures of Madagascar, France and Japan.
- ***PANdemonium: Merge!* - Developed by mybadstudio**
    - Cozy up by the campfire and merge ingredients in a... frying pan? A silly, easy-to-learn merge game with chaotic pan flipping physics, cute forest friends, and more. Whether you want to relax or turn up the heat for a challenge - merge your way to the ultimate campfire feast!
- ***Zitifono* - Developed by Loekni**
    - *Zitifono* is an adventure game, go boating on the ocean, swim in peaceful coves, find treasures in secret caves and talk with the funny inhabitants of the archipelago to solve the mystery of these colorful islands!

And last but not least, Wholesome Snack celebrated 80 years of Moomin with a new trailer:

- ***Moomintroll: Winter's Warmth* - Developed by Hyper Games**
  - The follow-up to *Snufkin: Melody of Moominvalley* set in Tove Jansson's acclaimed *Moomin* universe, *Moomintroll: Winter's Warmth* welcomes everyone into its cozy home, promoting messages of tolerance and unity, all too important in today's day and age. As Moomintroll discovers a frost-covered Moominvalley, he must work together with his neighbors to banish the Lady of the Cold's grip across the land.
